Cliff asked SC to set up a number of interviews for the DNI this week. I have general guide posts but now set times yet. Here is what we are targeting.

Tuesday or Wednesday – a handful of 10 minute calls with news print outlets – the day/timing is dependent on when the draft Op-Ed that the DNI is reviewing is final and shareable Thursday afternoon – taped interview with CBS from the White House Sunday Morning – Live interview with Fox Business – likely from the Fox studio on Capitol Hill

These are broad brush strokes but I wanted to give you a general idea of what may be coming for the week so you aren't caught off guard.

Sincerely, Amanda
